

CONGRATULATIONS!!

**Let's welcome our new:
Chemical Hygiene Officer**

**Sara
Willman**

- Worked as Beall Applied Innovation's Prototyping Lab Manager for almost 4 years
- Recently completed an MBA at the Paul Merage to combine with a Bachelors in Chemical Engineering
- Was most recently the Facilities and EH&S Manager at a private tech company (Hexagon Manufacturing Intelligence) where she earned a Lean/6S Green Belt Certification.
- Sara's hobbies: enjoys hiking, reading, playing tennis, and attending live music and theater events. Also spends time at home with her temperamental yet cuddly cat, Lucy.
