UCI Environmental Health & Safety

RISK & SAFETY SOLUTIONS

You are invited to a
Risk & Safety Solutions (RSS)
Software Tutorial

UCI has partnered with Risk & Safety Solutions (RSS) to offer an RSS software tutorial. This session will be geared toward Principal Investigators, Safety Delegates, and Inventory Managers, and will include detailed information about how to work with RSS applications and a review of UCI policies. This is also a great opportunity to connect with UCI EHS managers and ask any questions you may have.

Date: March 3, 2025

Time: 11:00AM – 12:00PM

Location: Zoom Link

Topics will include:
- ✓ Creating and managing chemical inventories in UC Chemicals
- ✓ Managing RSS groups and profiles
- ✓ Navigating the Lab Hazard Assessment (LHAT)
- ✓ Working with the Inspect application to manage Lab Safety Inspection findings
- ✓ Requirements and processes specific to UCI operations

*This tutorial session will be recorded. The recording will be sent out to registrants.
Please register even if you cannot attend so you receive a copy of the session.

We encourage all campus personnel that access or view RSS applications in any capacity to participate.

Please feel free to forward this to your colleagues who might be interested in attending.
