

Portable Equipment Registration Fuel-Usage Data Form

Please complete and submit this form to hwp@uci.edu for portable diesel-powered equipment with an engine rated \geq 50-horsepower operated on UC Irvine property. Engines used to propel mobile equipment, or a motor vehicle of any kind are exempt from this requirement (e.g., tractors, mowers, bulldozers, etc.).

Equipment requiring data collection can be identified by their Portable Equipment Registration Program (PERP) placards. Placards are either blue or green.

Equipment may include but is not limited to:

- Portable Generators
- Compressors
- Cranes
- Woodchippers

Complete and submit this form with a copy of the California Air Resources Board PERP registration to hwp@uci.edu.
