All Students

Students living in Student Housing, including at ACC Housing, can obtain face covering (N95 and surgical mask) from the front desk of the main office at each Student Housing complex. Students not living in Student Housing or any other students can obtain face coverings (N95s and surgical masks) from face covering distribution locations.

Faculty/Lecturers

Faculty/Lecturers should contact their school or unit's Buildings Facilities Manager to obtain a supply of face coverings for their own use or for their class. In addition, face coverings (N95s and surgical masks) are available at face covering distribution locations. To request face coverings with clear panels used for lecturing purposes, please contact EHS at safety@uci.edu or at **949-824-6200**.

Staff

Staff including student employees should contact their Building Facility Manager to obtain a face covering supply for their unit or for themselves. Face coverings (N95s and surgical masks) are available at face covering distribution locations.

Building Facility Managers

For bulk supplies, BFMs should contact the Logistical Support Team at logisticsupportteam@uci.edu and request face coverings (N95, surgical masks, and voluntary-use N95 respirators) or cleaning supplies.
