# UCI Environmental Health & Safety

## Checklist for Returning to Campus Administrative and General Work Areas Revised: September 7, 2021

In order to resume campus operations, Unit Managers are required to conduct a risk assessment of their work area. The information provided in this document is intended to provide criteria to consider when conducting a return to campus risk assessment and assist in resuming operations.

**Pre-Start Checklist for Safety Considerations:** The following criteria should be evaluated and included in your risk assessment and control measures evaluation:

### **General Guidance for Unit Managers:**

- □ Check your health status before coming to work. It is recommended to check your temperature and any potential symptoms of COVID-19. If you share a living space with another person, monitor their health status as well.
- □ Review UCI's recommendations for face coverings, and advise team members to do the same.
- □ Review all emergency/evacuation plans for staff and building.

#### Arriving to the Workplace

- □ When you arrive for the first time, turn on lights, observe the space briefly before entering, then proceed with caution.
- □ Turn on and ensure essential equipment is operating properly.
- □ Check that equipment restarts and functions appropriately.
  - Is calibration needed?
  - Do safety devices operate properly?

#### **Evaluate Supplies**

- □ Evaluate safety supplies Do you have an appropriate safety supplies (e.g., disposable gloves, face coverings) on hand to perform the work you intend to do?
- □ Review the EH&S COVID-19 Cleaning Procedures for General Environments and ensure that all team members have done the same.
- □ Review applicable Standard Operating Procedures, safety manuals and equipment specific work procedures to ensure safe start-up and operations.
- □ Evaluate cleaning materials available to sanitize/disinfect the space.
  - Do you have a sufficient quantity?
- □ Evaluate other supplies needed to complete your assigned tasks.

#### **Evaluate Support Services**

Uverify the availability of support services needed for your work:

- Supply deliveries
- Other halted services
- Regular custodial services

#### **Evaluate EH&S Services**

- □ Walk through the space to check if there has been a chemical spill. If you are not comfortable with cleaning up the spill, call EH&S at (949) 824-6200 for assistance.
- □ Inspect hazardous waste, biological and radiological storage as applicable.

### **General Guidance for Staff:**

- □ Review UCI's recommendations for face coverings and ask your department/supervisor if you have any questions.
- □ Check your health status before coming to work. It is recommended to check your temperature and any potential symptoms of COVID-19. If you share a living space with another person, monitor their health status as well.
- Complete required COVID-19 "Returning to Work" training available in UC Learning Center.
- Always practice respiratory etiquette by covering your cough or sneeze. If you get the urge to sneeze or cough, cover your nose, mouth, and face covering with a towel or handkerchief.
- □ Avoid touching your face.
- Wash your hands frequently with soap and water for 20 seconds. At a minimum, employees should wash their hands upon arrival to work, after touching their face or face covering or any common contact surfaces, and when leaving work.

### **Procedures for Confirmed and Suspected COVID-19 Cases**

- Contact Human Resources (HR) to report confirmed and suspected COVID-19 cases: <u>https://hr.uci.edu/disaster-relief/report-known-cases.php</u>
- Contact Workers' Compensation (wcdm@uci.edu) for potential work-acquired COVID-19 exposure.
- Contact Environmental Health and Safety (EH&S) at (949) 824-6200 for decontamination strategies. Departments may choose to use an EH&S-approved cleaning and disinfection contractor or contact Facilities Management Custodial Services to disinfect spaces.
- According to the Centers for Disease Control (CDC), if it has been more than three days since the person with suspected/confirmed COVID-19 visited or used the space, additional cleaning and disinfection are not necessary: <u>https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/cleaning-disinfection.html</u>
